- Discussions were really helpful! It could be kind of a drag getting to campus so early in the morning, but I don't think I'd be doing as well as I am in the class if not for the discussions.
- He is great!
- Jeremy always has a smile and I really like that because it makes math more enjoyable.
- Jeremy is a good, straightforward, and competent TA.
- Jeremy was always well-prepared for discussions. He started with warm-up problems covering the most challenging topics from the course. He was open to students questions and clearly explained solutions. Also, he was extremely helpful to the students by holding numerous office hours.
- Jeremy was extremely helpful. Thank you for everything Jeremy!
- Jeremy was a great teachers assistant. Probably the best I've had.
- Very patient, nice and helpful.
