Please provide any additional constructive comments

- Did a great job teaching, made himself available for office hours, excellent TA.
- GOOD TA!
- Great TA!
- Great TA. He is just an all around nice guy and is always there to help when needed.
- Great tutor, great person, great friend
- He is very talent and knowledgeable. I learn a lot of solving technique from him. I wish he will be TA of my future classes.
- Jeremy really knows his stuff. I do hope next year he'll not just give answers away though since it seems unfair for those of us who take the time to really try and solve the problems on our own.
- Jeremy was always prepared for section, but often just taught students how to solve a specific problem rather than how to find solutions in general.
- Jeremy went above and beyond helping the students in the class. always made himself available
- Jermey's the man
